

Declaration of Performance

According to Annex III of the Regulation (EU) Nr. 305/2011
(European Construction Products Regulation)

Reference number of the Performance Declaration: XXXXXXXXXXXXXXXX
Light and Ventilation Ridges
The components can be used either directly incorporated into structures or used in composite structures of steel and concrete. The components can be made of hot rolled or cold formed constituent products or constituent products produced with other technologies. They can be made of cross sections/profiles of different shapes, of flat stock, rods, cast or forged pieces. They can be unprotected, protected against corrosion by coating or other surface treatment.
Müller Aluminium-Handel GmbH Allensteiner Straße 8, D-27243 Harpstedt
EN 1090-1:2009 + A1:2011
System 2+
Certificate No.: 2499 - CPR -0114427-011 ZDH-ZERT GmbH, Ennemoserstraße 10, D-53559 Bornheim

On the basis of the Certificate of Factory Production Control, the manufacturer confirms the following performance features with respect to the component specification:

Performance Feature	Declared Performance	Harmonised Technical Specification
Basic geometric tolerances		EN 1090-1:2009+A1:2011
Weldability		
Fracture toughness		
Fire behaviour		
Release of cadmium		
Release of radioactive radiation		
Durability		
Characteristics of load-bearing capacity:		EN 1090-1:2009+A1:2011
Design		
Deformations at ultimate limit state of serviceability		
Fatigue strength		
Fire resistance		
Production		

The declared performance of the aluminium construction product corresponds to the declared performance according to the above table and the delivery note. The manufacturer bears sole responsibility for the preparation of this performance declaration.

Signed on behalf of the manufacturer and the name of the manufacturer by:

Name and position: Dipl.-Ing. Frank Müller, Executive Manager and Head of WPK

Place and date: Harpstedt,
